“ Eddie, Many good times and great memories! You were genuine and down to earth! I remember when you had Hair on Broadway in New Haven. The last time we saw you was Hamden concerts outside. Rest in Peace my friend. Forever in our hearts. You will never be forgotten. Maryann & John

“ Dear Eddie,

I thank you for your amazing friendship and hours of conversations. There is a void that is so sore but I am truly blessed to been your friend. Thank you for sharing your talent in hairdressing, your conversation and your optimism. Thank you for your advice, your confidence and just being you. I am so sorry to your family and friends, for their loss is incomprehensible. I will miss you so much but I am so appreciative to have been your client for so many years.

❤️ Julie

“ Eddie,
Ain't nothin' I can say, nothin' I can do,
I feel so bad, yeah, I feel so blue. So very hard to go!

I like many people met Eddie at the Country Squire and after my first haircut, I knew that he would be the person to gut my hair the next time too, little did I know that two teenagers would develop a lifelong friendship that would lead to weddings, sporting events, graduation parties and many many concerts, Eddie and I recently discussed some of the concerts that we attended and we could not believe how many shows that we have seen, from jazz, to blues, to funk and on and on, he just loved all types of music, I recently reminded him how he talked me into going to James Brown and man I was really happy that he did, but most memorable were the days when the band members from Tower of Power would go to Eddies Hair on Broadway shop before a show at Toads for some haircuts and a few drinks, then we would go to the show, just great memories!

I am happy that Eddie met Gail who was there for Eddie every step during his last years.

I miss my friend and there is a void, however, I have a lifelong treasure chest of great memories to rely on when I think about Eddie.

I will close with one of Eddies favorite TOP songs

*What is hip?
Tell me, tell me if you think you know
What is hip?
If you was really hip
The passing years would show
You into a hip trip
Maybe hipper than hip
But what is hip?*

I'll tell you what is hip, Eddie is hip!

With deepest sympathy to Eddies family

In his youth Eddie looked like like Peter Frampton, with that long curly blonde hair. We had just reconnected in the past year and just recently I heard of his illness. Eddie loved to laugh, joke and play around. He was an excellent hairdresser, and devoted much of his life to his craft. God bless you Ed you will be missed.
