“ Just wanted to send my condolences on the passing of Eddie. Grew up three doors down (the Musco’s) on Pine Rock and have fond memories of Ed and his family.

“ To a terrific friend. Met Ed in high school and we continued our friendship until his passing. He was a highly competitive, fearless, and scrappy football teammate. Hanging around with him in our earlier years was never a dull moment, as his curiosity and adventurous nature, always seemed to get the best of him. From watching his bantering moments with his lifelong friend over the years, to our senior years sitting in the backyard shooting the breeze, while watching our daughter’s dogs play, he was a very decent and stand up person. Thanks for your friendship and to be included as part of your fun-loving family. You’ll truly be missed.

“ Eddie & I were "lead altar boys" at St. Ann & we used to "nip" from the wine after Mass. Made all our sacraments together & when he became head usher, I became lecturer. Thanks for the memories guy, we'll take it from here. Rest in Peace
