“ He was always happy. And, to extend on my brothers comment. he did not park the car in the garage on "an angle", he parked it sideways and they had to slide it out on jacks as it could not be turned. I laugh every time I think of it and so did he.

“ Uncle Ed for some reason loved the Detroit Teams and loved Derby down in the valley and something I will never forget how he parked his car next to a golf course, and at a strange angle in his garage.

“ Dad,

*Thanks for making me understand that if you are going to do something, "do it right or don't do it at all". Thanks for coming to visit me during my rehab from surgery and schooling me in setback.*

*I will always remember your classic song lyrics such as "buckle up winsocky", "I had a hat when I came and I'll have a hat when I go out"*

*or famous sayings like after too much partying "you want to sing a mister bing".*

*We may have not always seen eye to eye, because I was a much of a stubborn guinea*

*as you, but I want to say I loved you and I will miss you.*

*Ed*
