“ To Mary, Maggie ,Donny and famlies

When those we love have left this earth, we still can feel them near. We'll see a picture, hear a song, and it's just like they are here. And when we call upon our faith, when we believe and trust, we know the ones we care about are always close to us.

I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.

It will be the little things that you will remember, the quiet moments, the cheeky smiles, the laughter, and although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring the smiles back again.

Auntie Eileen was such a special lady and I will always remember her wonderful cheeky smile and the twinkle in her beautiful eyes. I am so grateful that I got to visit you all last year and spend a few precious days with her.

She is now with her beloved Jesus and reunited with uncle Charlie and her brothers and sisters.

May the peace which comes from the memories of love shared, comfort you now and in the days ahead.

May Jesus walk with you today and always.

Stay strong and know that even though we are far apart you are all in our thoughts and prayers on this very sad occasion.

Love to all from Maggie and Julie.

All my memories of Ma Incerto are of her either laughing and smiling or giving Mary that completely exasperated look... A light has left the world, she will be missed.

“ *As I write this , I can see Grams beautiful smile and those twinkling blue eyes. She was an angel among us. She will always watch over you and the boys , she will even watch to see that Bo is fed! She will watch to see that Craig is cooking right, may even throw a pot or two is she disagrees with the way he is preparing the meal. Eileen is with her Lord and husband, she is exactly where she wants to be. Let all remember the wonderful food and laughter that she shared with us all. Or family will never forget her and will be remembered always.*

O Lord, support us all the day long, until the shadows lengthen, and the evening comes, and the busy world is hushed, and the fever of life is over, and our work is done. Then in Thy mercy grant us a safe lodging, and a holy rest, and peace at the last. Amen.

“ Don and I send out deepest sympathy to all Eileen's family. We so fondly remember Eileen and Charlie at the family house on Chapel St at holiday dinners and reading her poems about the family. Last time we saw Eileen she was so beautiful and always smiling. We loved her and may God reunite her with her loved ones and give her peace.

“ Aunt Eileen is my godmother and her along with uncle Charlie are my namesake. We always shared a special bond on the dates June, 12th and June, 13th, their anniversary and my birthday. She always made it a point to send me a card or call me. She was like a second mother to me as she took care of me and my sisters and brother when we were very young. I will always remember her as a very kind and loving person, with a big heart. I will miss her so very much. My heart and prayers go out to your whole family. I feel blessed to have been able to see her and talk with her Thursday eve. My prayers will continue for you and your family. May God be with you and comfort you and guide you. My condolences to her immediate family. God bless and love you all. Love Charlene
