“ *My thoughts and prayers are with you at this special time. I was so sorry to hear of the passing of Betsy. We were in the same Rosary and Scripture groups for many years, even after she left the Valley. I visited her in Wallingford and Meriden and enjoyed her company and admired the strong faith that she had. I know she is now at peace and with God in Heaven. May God Bless you all and give you the strength and courage to live each day to the fullest as I know she would want you to.*
