“ *Dear Aunt Betty,
It has been a privilege to have known and loved you!!
You were a strong, loving woman who raised two successful and lovable children as a single parent most of their lives. You also took on your nieces and nephews with the same passion and love. I will always remember you taking Cathy and I to Malley's for breakfast and to see Santa. Often, you would get silly and light up a room when you interacted with people and it was contagious!! You didn't have it easy but your strength and courage is what you shared with all of us. Now that I am a mom- I am sorry for all the craziness Cathy and I caused you when we were younger - maybe that's why God gave me twins! Rest in peace Aunt Betty! And thanks again for all that you gave to all of us!*
