“ My sister and I shared a bond with Ellen and Mary Lee, because
we, too, are close sisters. We were in a mystery book group with
them (and Roberta and Marge.) We traded books, but mostly had
fun and solved the problems of the world. I miss them both so
much.
Ellen was an inspiration. She fought so hard and almost always kept
a positive attitude in the face of a really difficult situation. I feel so
lucky to have known her.

“ To Ellen's Family: As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends. Please accept my sincere condolences for your loss. Please find comfort in the following Bible verse, John 11: 11 where Jesus said: ..”Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep.” Please also find comfort in knowing that our Almighty Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.
