“ Dear Lee Family,
I am so sorry to read about your mother, Ellen. Our family ties go back many years when your late father had a campaign party at my late parents home, Samuel and Daisy Goodwin. Your late Uncle Ray Lee worked for our family business, Eastern Steel and Metal Co, West Haven, Ct. I fondly remember your mother with her warmth, caring, and devotion to being a mother. I remember your late father, and all the children when they were much younger. I offer sympathy and friendship to all. Your mom was special to all those who had the pleasure of meeting her, and your family. I offer condolences from the entire Goodwin Families.
Sincerely, Betty R. Goodwin

Dear Sally and family: This is Marlene Sheahan Berberian from Boston, I was so very sorry to hear of your mother's passing. I have such wonderful memories as a child in CT being with you and your Mom while on the beach at the Villa. She was kind, warm and above all a loving mother filled with wisdom and humor. I especially remember her treating us to ice cream on those hot summer days. My prayers are with you. May you heal and remember the special times with both your Father and your Mother. Sending my love and condolences -- Fondly, Marlene
