“ *Perhaps you sent a lovely card, floral piece or Perpetual Mass to honor our Dad today;
Perhaps you spoke the kindest words or sat quietly by our side to comfort us this way;
Perhaps you weren't there at all, just thought of us in your hearts today;
Thank you for honoring our Dad in such a sincere and heartfelt way.
These are the acts of kindness that mean so much to us.*

“ Dad,

Our hearts are broken. If we could write a story it would be the best one ever told about our Dad who had a heart of gold.

We will take this special moment to turn our thoughts to Dad. Thank him for the home he gave and for all the things we had.

We think about the fleeting years too quickly, gone for good. A time when Dad was always there, no matter what the weather. Always strong when things went wrong, he held our lives together.

He strived so hard from day to day and never once complained. With steady hands, he worked so hard and kept the family name.

He taught us that hard work pays off, you reap just what you sow. He said that if you tend your crops, your field will overflow.

Our life has been bountiful, he taught us how to give. In his firm and steadfast way, he taught us how to live.

Thank you for all you have done for us throughout our lives. We will hold our memories close to our hearts forever.

Love Always,

Ern and Maureen

Erin & Maureen I'm truly sorry to here about the passing of your dear father this letter is beautifully written and heartfelt losing a parent is never easy. He was a very quite man but very hard working and when he spoke everyone knew he was a man of strong conviction. May god hold him in his hands and welcome him into his kingdom to meet his beloved wife. My deepest condolences Eileen Sullivan
