“ Robyn and family - so very sorry for the loss of Evelyn. Always enjoyed a casual chat at the lake. Today's sadness will in time be replaced with a smile and wonderful memories. Thinking of you - Randy and Judy.

“ Evelyn was one of the best neighbors anyone could ask for. Caring, kind, welcoming, and loving. A woman who always saw the glass half full. She gave excellent advice and was always ready with a compliment. Her love for connection with other people was evident in everything she did including the many trips she organized with the senior center of Cheshire. She had such a lovely way about her, and she even discovered a green thumb when she cared for my many plants when I traveled during the summer. It is with a heavy heart that I send condolences to her family and friends. She will be deeply missed. Sincerely, Ann Marie Blake
