“ Graduated LHS '71 with Fran. She was a good friend, but many of us lost touch after high school. Spent many days at the Anderson's, especially in the summer when I could walk there from Lexington Avenue.  
Prayers for Fran, and prayers for healing for all of her family and loved ones.

I have many fond memories of Fran as she and I were suite mates at Keystone for two years and we kept up a long-distance friendship through Christmas cards and email over the past 50 years. She was very kind and lots of fun and she will be remembered.
