“ *The quiet man has gone to rest and left us all behind
With only memories left to hold, of a gentle man, and kind
Yet 'neath that quiet exterior, was an inner core of steel
A strength, a calm, a giant heart that all around could feel.*

*He's left a space which can't be filled, a void so big and vast
Yet all those memories will remain, and ensure his legacy lasts
His children, made of similar stuff, will carry on his work
Of making the world a better place, a duty he never shirked.*

*And out there in the Afterlife, which he always did believe
He's happy with his siblings now, his sufferings relieved
And that strength and light which was within, is free - and with us
still
So his body's gone, but his soul loves on, and we know it always
will.*

“ Frankie will be truly missed, he was a great husband, father and friend. He touched everyone's heart. Frankie always brightened up any room he came into. Always a "tease" and loved to have fun with everyone, I have been blessed to know his daughter Annmarie and all the sisters too, Annie and I have been friends for over 26 years now.... Rest in Eternal Peace Frankie, you will be in our hearts forever... xoxo
