“ To all my O'Neill friends, I was deeply saddened to learn of Frank's passing. He was one of my longest old time friends. In 1963, Frank gave me my "first" job at the Yale University Computer Center. It was there that I became friends with brother's Ed, Tom, and Danny. In 1968, Frank left Yale to take a job with Princeton Time Sharing in New Jersey, where after several months there, he asked me if I would join him. I didn't hesitate a moment. Frank was my hero and the nicest, kindnesses, and most loyal person I knew. In 1971, Frank was in my wedding party and later the godfather to my son Bryan. As our work lives went separately, circumstances were that it was in the late 1990s that I was able to offer Frank a position back at Yale University's IT department as a director of a new and emerging technology group. While difficult, Frank was able to master the task, and lead the group into an amazing success. Frank was loved and respected, and will be missed by all. Until we meet again, God Bless.

“ Dear Marie, Michael, Kelly, and all the O'Neill clan-  
So very sorry to hear of the world's loss. Frank was very special  
with a smile that could light up the room! Never more so than when  
speaking proudly of his family!! From CUPIS to Yale, to Sigma Xi he  
never missed a beat and was always eager to take on more.  
God Bless and please know that you are in our hearts and prayers.  
Love- Kif & Sam & the Cawley family.

“ *I am sorry to hear about Frank. He certainly fought the good fight. He will be remembered for his kind ways and wonderful smile. As children in New Haven, we grew up with the deepest condolences to Marie and his children. May he Rest In Peace up around the corner from each other, and later in life our paths crossed again when we all socialized together at the Castellon's. May he Rest In Peace.*

“ I am so saddened to learn of Frank’s passing. I will remember him always as fun, smiling, happy, and a typical Son of Ireland! We had a nice conversation at the last reunion. My prayers are for Marie at this very sad time. Jean Chapman Snider

“ I am so sorry for your loss. My greatest memory of Uncle Frank was when I was 4 or 5. I was sick for Halloween and I couldn’t go trick or treating- as a child it was devastating. Uncle Frank showed up the next day with a huge plastic pumpkin filled with candy. I don’t know what I did to make such an impression, but it made me feel loved. He did that very well and he will be missed.  
Love to you all,

“ Hi Marie, I am so sorry for your loss. Frank sat next to me in English class at St. Mary’s and I have nice memories of those days. I always thought you were such a cute couple. Times go by but our caring for one another does not end. I am praying for you and Frank, now in the arms of our Blessed Mother.

“ My deepest condolences to Marie and her family at this time of great sorrow. I can't put into words the sadness I feel. Frank was one of my favorites, always ready to laugh and always in good spirits, a joy to be around. I will always remember him and the many happy events we all shared in high school and our Class Christmas parties and Class Reunions. He will be missed by all who had the privilege of knowing him. I can only hope that you will find some comfort in the knowledge that I share in your sorrow.
