“ Just today I received *The Pingry Review* and was shocked and saddened to read of Frank’s passing. Frank and I were good friends at Pingry. He was Class of ‘73 and I was ‘74. We both played tight end on the football team together his senior year and had many fun, youthful adventures together at Pingry and at his family’s house on Long Beach Island at the Jersey Shore with his brother Roger and sister Janet. A number of years later, my wife Janet and I were fortunate to reconnect with Frank, to meet his wife Nancy and their daughters Heather and Cara, and to once again see his sister Janet. Frank was a warm, smart, generous, fun person and a wonderful friend. I will miss him and will never forget him. Condolences, prayers and love to Nancy, Heather, Cara and Janet and their families.

“ I'm so sorry to hear about Frank. I worked with him at Jack Henry. Frank was such a good person - he always had a smile on his face and had such positive outlook. “ I am truly saddened by Franks passing. We were recently in contact re the 50th Pingry reunion, shared many memories and good times from the past. I have many fond memories from back at Pingry but I was fortunate to have spent time with Frank outside of Pingry. For a few high school summers after school was out and summer jobs began we had 1-2 weeks of free time at the beach. We played basketball and wiffle ball every day for those two weeks. Frank had a wicked roundhouse wiffle ball curve that was near impossible to hit.

Frank's love for music was evident. Frank somehow managed to talk his way into getting a job playing music at a teen dance hosted at a local firehouse. Frank would bring his stack of 45's and keep the music going and everyone entertained. Frank so enjoyed those times making people happy.

Here is a picture from back in the day, 1972 era, after the basketball and wiffle ball games were over.

Frank was a special person that will be missed. My thoughts and prayers go out to his family.

“ Frank and I worked together in the video business and he became not only my closest friend but my brother. Even separated by so many miles we always “caught up” on the phone. The miles and the time disappeared when we talked. We both loved to talk about entertainment and shared comments about our current favorite movies, TV shows and musical groups. He inspired me when life threw me a wicked curve; kept me positive and motivated. I’m devastated. We will all miss him so much.

“ I am so sad to hear of Franks passing. Only a few weeks ago, at our 50th Pingry reunion, I thought he was one of the youngest looking classmates. As always he seemed to be so happy to be around his former classmates. Like me, Pingry was very important to him. I first met Frank in our early days at Pingry. He was always enthusiastic and tried so hard no matter the task. When he came out for football he made a major contribution to our team. He played end for us and he made many big catches.

Later in life, on two occasions, I had the privilege to help him with his urologic care. He was so appreciative.

At this time words seem so inadequate. To his family and friends my thoughts and prayers are with you. Frank, rest in peace.

“ I am so sad to learn of Franks passing. Only a few weeks ago I thought he was one of the youngest looking of our 50th reunion classmates. I knew Frank since our early days at Pingry. When he came out for football he made a great contribution to our team as an end. He was always funny, happy and super enthusiastic for anything.

Later in life, on two occasions, I had the privilege, to be involved in his urologic care. He was so appreciative.

At each reunion he was always one of the first to sign up. Like me, Pingry was very important to him. RIP Frank.

“ I was a Pingry classmate of Frank's and I was shocked and greatly saddened to hear this news. I have so many fond memories about our Pingry years together. Frank was always cheerful and pranking his classmates. He was a force of light and brightness, even during those dreaded, dark final exam weeks. He kept us all loose and focused.

I am now living in Dallas and am still working, so unfortunately, I was unable to attend our class's 50th reunion earlier this month. I am so glad he made that reunion what it was (great by all accounts), by both his presence and organizing force. My heart goes out to his family. It is clear from all the beautiful photos posted that he loved a lot, and was greatly loved in return. RIP, Frank. You will always be in my heart and memories.

“ Kim and I are still catching our breath after hearing this very sad news. Just three weeks ago Frank and Nan met us for dinner to follow up on the connection we all formed at the Pingry 50th. It was a wonderful evening recalling the classes and teachers we shared as youngsters and the families and careers we had created since those days. As we left the restaurant we were making plans for more time together over the summer.

To say we are heartbroken for Nan, her children, and her grandchildren is a pitiful understatement. We have all lost someone very special.

“ Frank and Nancy were our next door neighbors for over 15 years in Woodbridge. Barry and I loved living next to them and we became great friends. Frank was kind, caring and funny. This is such a tremendous and sudden loss our hearts are grieving with you. He adored Heather and Cara. He was such an amazing role model to his girls. He will be deeply missed. “ I have had the privilege of knowing and working with Frank for over 15 years. During that time, he became one of my closest friends. I worked to help him secure a position with Jack Henry & Associates. As he did in all aspects of life, he exceeded all expectations. During our friendship, Frank constantly expressed his love for “Nan”, daughters, son-in-law and, of course, grandchildren. He was a very happy man.

I will miss, but nit forget him.

“ I would like to send my deepest condolences to Frank's family. This was such a sudden loss of someone who was so full of life. As a high school classmate of Franks, we had just shared a weekend of memories at our 50th reunion in April. Frank was as upbeat and gregarious as I remember him from high school days. My most vivid memory of Frank was that he joined the football team in his senior year, which is very unusual for someone to do. Although we were a bit skeptical about his ability to contribute to the team having never played before, he showed great commitment to the team and ended up having a great contribution to the success of the team that year.

Although Frank and I had not kept in close contact, I feel grateful to have had that reunion weekend to reconnect.
