“ Just found out today. So sorry for your loss. He was like an older brother to me when I was growing up. Lots of fond memories of family gatherings at "Aunt Marty's". George was always the life of those parties. Sorry I wasn't able to say goodbye. Cousin Marilyn

“ My sister Sandy and I send our deepest sympathy and prayers on the passing of George. We were next door neighbors to George and his parents on Circular Ave. George was a teenager and we were in elementary school. George was a very kind person to us kids . I remember that George had a very large black dog called Duke. We quickly adopted Duke as our pet . We would feed Duke bones at least twice or three times a week over the fence of their yard after dinner. George would let Duke out of the fenced yard into a near by cow pasture. Duke would literally fly out of the yard and run until he was exhausted. The Bednarcik's also had several chickens including a rooster. George would always call us when he was to process a chicken for their dinner. We kids would enjoy seeing a headless chicken running around the yard with Duke in hot pursuit. The neighborhood boys would play football and baseball in the pasture and George would join us in our sport activities. George provided us with fond memories of our youth. “ We are so thankful to have shared a lifetime of wonderful memories with George, Kathy and their family. From beach vacations to cruises on the Nile; we have done it all and cherished every moment. So many laughs together. We will miss our card games that were played endlessly - NO RULES. Our lives have been immeasurably richer because you have been in them, and we thank God for you every day. God bless you all, and may He hold you in the palm of His Hands. Love, Jerry, Diane & Family.
