“ Gerry, I can't think of a time when I didn't have the "best of times" When visiting you and my sister. On more than one instance you helped me like the older brother I never had, and didn't rub it in! I'll miss you my friend, you were truly a class act and rare man. Oh yeah, I guess it is time to admit that you were right, Napoleon Did Have the largest empire! It only took me 20 years!

“ I remember the smiles and laughs I shared with my Uncle Gerald over the years, on holidays or just hanging out in the backyard. But the thing I will remember the most about my Uncle Gerald was that he truly cared for others. When I was a little girl, I would visit with Grandma Reynolds, and she would always have a refrigerator filled with delicious fresh food, and ice cream treats. When the other ladies in her community would ask if she was taking the shuttle bus to the market this week, she would always say with pride "Oh no, my son Gerald gets me my groceries; he spoils me." And he always did. Every week like clockwork. He was dutiful, reliable, sweet and sturdy. I know these qualities were also appreciated in him by his loving wife Auntie Nora. He will be greatly missed but always remembered. Loving Niece, Alexis

“ Uncle Gerald was always so great to his family! I have many fond memories of my time with him growing up in Connecticut. We always sought out the thickest hard cover history book to give him for his Christmas present, and loved to hear stories of his growing up with our Mom, Aunt Pam, Uncle Skip, and Grandparents. His wife Nora is so kind and loving toward everyone in the family, and we are grateful that Gerald had her as his companion over the years. Uncle Gerald, you will be missed but not forgotten! All my love, Emily

“ My dear brother Gerald; he watched over me when I was a child, sent me home when he saw me about as a teenager, fussed over holiday meals with me as an adult and so adorable when teamed with my two girls. He will always be the perfect big brother and I am thankful that he has left me the perfect sister in law to share his spirit together. Love and kisses from little sister, Beth Ann

“ Gerald was a wonderful brother in law, a great uncle to my girls, a terrific brother to his sisters and a loving son to his mother. His passing is way to soon and he will be remembered forever as the wonderful human being that he was. Love, "Doc"

“ Gerry was a great guy. We grew up together and were great lifelong friends. He and his brother went to Mass every Sunday when we were kids and my parents and I always marveled at how faithful and independent these two boys were as they marched down the middle aisle together almost to the front of the church. They set a great example for all the young parishioners at St. Aedan's in Westvile, New Haven. He came to my wedding and had a great time with all our friends. I was very sad when I heard he was sick. I and all our friends will miss him very much.
