

## Gerard E Loiselle Jr.

April 23, 1934 - October 30, 2024

Gerard (Jerry) E. Loiselle Jr., age 90, of Milford passed away peacefully on October 30 in Hamden with his family by his side. Jerry was born on April 23, 1934 in Willimantic, CT, son of the late Gerard E Loiselle Sr. and Eleanor Moriarty Loiselle. He graduated from Windham High School in 1952 and from Fordham University in 1956. He began a long career in writing and public relations as a reporter for the Waterbury Republican and later was a public relations executive at United Illuminating, Pitney Bowes, Hamilton Standard, Albany International, and the Bridgeport Hydraulic Company (now Aquarion). Jerry, who spent his summers while growing up at Old Lyme Shores, was a boat lover who lived for a time aboard his 40-ft boat the George E. Bumstead. He was an animal lover, motorcycle rider, and an adventurous spirit who was appreciated for his sharp wit. He was artistic and a lover of all types of music, who was still singing just days before he passed. Jerry would say his greatest accomplishment is his four daughters: Maryann O'Regan (Brian), Susan Gonzalez, Joan Osgood (Jimmy), and Nancy Uttendorfer (Dan). He took great pleasure in his eight grandchildren: Kevin, Katelyn, Brian, Stephanie, Daniel, Elizabeth, Ryan and Jesse; and his nine great-grandchildren. He also leaves his former wife, Nancy S. Loiselle. Burial will be at a later date.
