“*Death of a loved one is never easy. May you find an abundance of comfort in your family, friends and especially the future blessings found in God's word. He has promised to swallow up death forever and reunite us with all who fall asleep in death. (Isaiah 25:8, John 5:28,29) As a God of love who cannot lie we can certainly trust all he says to come true. (1 John 4:8 & Titus 1:2) It is my hope that these words and the fond memories of your loved one sustain you through this most difficult time.*

“*My deepest sympathy to the Colwell family. Gloria and I grew up together as she lived 3 houses away on Clifton St. in Wallingford, Ct. I will always remember all of us sitting on my front porch talking and playing cars. We went to the beach , dances, movies together. I will cherish these memories. May Gloria rest in peace and God comfort you all. Bob Distasio White Plains, N.Y.*

“*My deepest sympathy to the Colwell family. I was deeply saddened when I heard of Gloria's passing. She was a very kind friend. She was always good to my girls. I got to know Gloria when we worked together in Cheshire. She always had a sparkle in her eye when she spoke of her family. When I had a question about gardening, she was my go to person. May God comfort and give you strength during this difficult time.*

I was saddened to hear of Gloria's going on to eternal life. It was a pleasure to renew acquaintances from our High School days in recent years. May the promise of our faith, which I know she shared, heal the sorrow and scare on your hearts in the days to come.

“ My sincerest condolences to the Colwells on Gloria's passing. I grew up on Russell Street two houses down and loved chatting with her when I was riding my bike and she was gardening, or when we were shoveling snow. I will remember her fondly and her kindness to me whenever we met.

“ My deepest sympathy to the Colwell family. Anyone who knew Gloria couldn't help but like her. She was fun to be with and was very witty. I went to Holy Trinity School and Lyman Hall High School with her and I feel a terrible sense of loss. She was always doing something for others and I think that Heaven is a little brighter now!
