“ I had the good fortune of growing up with Harry in Hamden at Church Street School, Hamden High School and Providence College. I used to kid him about being one day older than him. He was a good friend of me and my family. My deepest sympathies.

“ Had a road trip to Western Oz last summer with DJ and the family and kept remembering our fishing trip through Montana, Idaho and almost Alaska... Miss you Hawk and hope I'm making as good a memory with them as you did with me.

“ Harry was neighbors with my parents at Evergreen. My dad and Harry were best buddies and enjoyed each others company. They would laugh and talk about their caregivers. Harry and my dad played pool together, went for walks, ate most of their meals together and you could tell if let alone would get into mischief. I always enjoyed seeing Harry when I would visit my parents. He had the best sense of humor and always made me laugh. Harry you will be missed by all of us but especially my dad, Al. Rest in peace Harry. You were the light that brightened our days. Lisa, Lynne, Tina and Al

“ It is with heavy heart on the passing of a dear friend. .I was fortunate to be a teammate of Harry.playing baseball and hockey ,for many years.Fortunately,Harry attended our Monthly dinner at Doody's several weeks ago,and had a wonderful time laughing and joking with his long-time friends. Many thanks for Harry's caretakers in his final years. Rest in peace my friend 🙏
