“ I have such fond memories of Helen. As the mom of Joann, my dearest friend, who shared the same smile, she always welcomed me with open arms when I visited all those years ago. She was so tiny but left a giant impression on everyone who knew her. Now she is being comforted in the arms of the Lord. She will be missed.

“ Hi Mommy/Nonni, I miss you more than I could ever have realized and you have only been gone 2 days. I have never known a day without you in it, but now I have to get used to each day a new. I know you will be protecting me and guiding me as my angel in heaven. Thank you for keeping your promise to return as a beautiful bluebird. I know you are so happy to be with Dad, your parents, your sisters, your brothers and friends. You were always there for me and know it time to rest and enjoy everlasting life with Jesus! I love you my mother, friend, angel and beautiful bluebird I look forward to seeing once in a while! God Speed.....until we meet again!!
