“ How very heartbreaking it was to hear of your Mom's passing . I will always have a place in my heart for my Helen her and I really connected over the years. She would be out in the yard by the fence and when ever I would walk by or drive by , or be waiting at the bus stop for a grandchild she and I would shoot the bull. She could always make me laugh what a wonderful humor she had. And always caring how everyone was doing . There are really no words I can say to describe how very sad I am that I have lost truly wonderful friend . I will miss her now and forever. As will Ben

“Helen was the best Mom and funny lady I think that I have met in many years. I knew her son Tommy, we went to Sheriden together. Helen would call me up at work (Traffic and Parking) and would report a Stop Sign down on Mountain and Victory Drive. When she called she would say 'this is your Aunt Tilly'. The first time she call and said this is your Aunt Tilly I told her I do not have an AuntTilly and said good bye. She called back and told me it was Helen. She was a great lady to have a conversation with, and had a great sence of humor. Bobby Flanagan thought the world of Helen and was friends with the Kasperzyk family wince he was born on Hilltop. Helen you have a great family and I know that Mr. K is waiting for your in Heaven. My prayers are with you Helen, you were beautiful inside and out, and it was a pleasure to know you all those years. Love you Helen and so does Bob. I will keep you in my prayers. Love Always,

*Kathleen (Kathy) and Robert (Bob) Flanagan For ever in our hearts*

“ Donna, I have such fond memories of your Mom. She would always laugh about me calling her "D" and her "legs". What a nice person she was. I never seen her without a smile on her face.  
Helen, Rest in Peace. We will meet again.  
My condolences to the entire Kasperzyk family.
