“ I had met Hilly when I worked at west woods elementary school and when I heard she was tutoring I quickly asked if she would tutor my son Ryan . She tutored Ryan through his elementary and middle school years and they quickly bonded . She always made her self available when there was a test to study or a huge assignment with Ryan’s busy schedule and hers she always made it work even if it was on a weekend . She was one of the warmest , kindest, nurturing women we had ever met . Ryan and I always loved and adored her . She will forever have a place in our heart .
