“ I had the pleasure of playing golf with Ivy for many years at Captain's Golf Course in the 9 Holvers League. Ivy was always fun, encouraging and just a delight to play with. Whenever I ran into her doing errands or while visiting the Captain's Thrift Shop, she always had an upbeat attitude and big smile. Offering sincere condolences to her family and friends on the loss of a very special woman. May your memories of Ivy bring you a true sense of peace.

Fondly,
Pam Shinnick

“ Sending love and support to Bob and family. Ivy brought such joy, laughter, and kindness to our family in Brewster. So many good memories with our family, personally loved sharing a glass of wine and laughs with her on the back deck. She will be greatly missed.

“ Dear Bob and Beloved Family,
I was so surprised to read of Ivy’s passing. I was her hairstylist for 15 years. Knowing her, like a hairdresser knows their clients was a joy for me. Her honesty and authenticity were always so welcoming. I was always inspired by her energy, candidness , and humor. Her Christmas cookie plates were magazine worthy and a wonderful holiday treat.
She spoke of all her family with pride and humor. It was always so fun when Wendy would join her at the salon for a visit. They were like a comedy team.I could only smile when they were together .
She left me with opinions and anecdotes that that will stay with me. She was energetic and brave.I was always inspired by that.
I will miss all that. But she left so much to be savored.
My deepest sympathies to you all.

“ Our sincerest condolences to Ivy’s husband Bob and their children from the volunteers at the Sea Captains’ Thrift Shop in Brewster, Ma.

Ivy was a valued, long time substitute volunteer, whose effervescent smile and charming personality endeared her to fellow volunteers and patrons alike. Ivy will be greatly missed, but her contribution of time and talent to the Brewster community through her hours of volunteer service will not be forgotten.

Rest in PEACE, dear Friend.

“ We first met Ivy over 17 year ago when we bought the house next to her and Bob on Cranes La in Brewster, MA. Warm and welcoming from the start, our times on the Cape soon became interlaced with memories of Ivy and Bob. Ivy would often call over to me across the backyards to invite me over for a chat. Sometimes just minutes long, other times for much longer we would discuss the "goings on" of the neighborhood and our families, the Cape overall, restaurant reviews and her and Bob's adventures. Ivy and Bob were staples at our annual July 4th picnic and fireworks show. They would readily embrace whatever antics my family had planned and she would cheer on my husband and son- in-law in their execution of the fireworks display at the pond.

Ivy was like an adopted grandmother to my children and grandchildren, acknowledging their birthdays and special occasions. It became a rite of passage for my children to bring their boyfriends over to meet Bob and Ivy to see if they passed " inspection" Kind, generous, funny, spunky and determined, Ivy was one of my favorite people in the world.

My family and I will miss her presence in our lives dearly. But, perhaps, most of all I will miss the sound of her voice calling over to me through the backyards to welcome me back to the Cape.

Our deepest heartfelt sympathies to Bob, Keith, Sheila , Bobby and Jen and their families during this difficult time.

Much love,

Sue and Greig Picking
