“ Mr James Christopher Hoepner is my best friend of friends. Since the day of days everything changed, but nothing never changed. He will always be there for me from the motorcycle accident til the day he told me he was so happy with his children and grandchildren and how he has grown as a father. There's only so many words to say that you are the best thing to every happen to me, Years of mischief and keeping an eye on the neighborhood (it was because of Jimmy that I met my wife of 17 years) He loves his brothers and sisters so much, they are the greatest thing to him, Sushi Forgetaboutit, he told me you are the best thing to happen to him since his children, and I know how much he loved you and I love you..
