“ To the Pyne family,

*We extend our deepest condolences, Jimmy will be missed. I enjoyed the many rounds of golf I was able to play with him and also the time afterwards and at family gatherings. His wit was always admired, and found him just as sharp when we were able to visit with him in June, telling us after several months of reflection that he had finally figured out what was wrong with his golf swing and he was ready to go back out and play to prove he was right. He will be remembered and missed,*

*Our sympathies,*
