“ Jimmy was a great guy and a great friend. I ran into him one day picking up a few bags of cement. When I told him I was going to mix it by hand he showed up at my house an hour later with a cement mixer.
He will be sorely missed.

“ To the Sorrentino Family, Jim was a beautiful person who has left us to early and for that we are sad. But what he has left behind in his family and friends is something that everyone who he touched in some way should feel grateful. I know that he left behind some of the best in his children and they will continue to pass the beauty to the ones who did not have the honor of knowing Dr. Jim.
