“ *My was a mother to many as a foster parent, and also to her nieces and nephews. Her and my grandmother got into it as kids, and here they are still going strong at my wedding a few years ago. A firm believer in astrology, I'm sure the stars will say something tonight. We should all be so lucky to make it 92 years, help so many, laugh so much, and leave on our own terms.*

“ Janet Nessel is my very special aunt.

I will remember my Aunt Janet so very fondly as being there in both good times and bad times for me. Aunt Janet would always look on the positive things in life. If you were feeling down, she would always bring your spirits up.

May you be at peace with the Lord Aunt Janet & may God always bless you and keep you in his care. Till we meet again Aunt Janet.....

Love,

Your Niece Janet
