“ *I am so sorry for your loss. I have known Jean for years from the Owenego and we had many laughs. Jean had such a quick wit and she loved to tease. I would love to go and sit with "the ladies on the hill" and chat and Jean and I would talk about people who walked by us!
Jean was a wonderful lady. I will miss her.*

“ My family lived across the street from The Hofackers. I knew Billy (as we was called) and his Dad Bill & his Mother Claire. I knew Jean very well as I also worked at The NY,NH & Htfd. RR on Meadow St. My father, Lyman, worked there too. We had many fun times together. I also belonged to the OWENEGO in Branford and Jean loved going and being there. She was fun and kind and we knew many of the same people. Jean was a treasure, as were/are all the Hofackers. It is an era never to come again, but I am so glad I did get to share so much of it with Jean. They lived on the 2nd floor and you could always bound up those stairs and find Claire in the kitchen or out on the porch with Jean. Our house on Ellsworth Ave. was next door to the Firehouse of Engine 9 and is no longer, but no one can take away the memories. Jean definitely will rest in Peace. Love,from Daytona Beach, Reggie White

“ This is to my wonderful, beautiful and loving Aunt Jean. I was able to say Goodbye to you a couple weeks ago and for that I will always be thankful. My memories of you, are many, but the strongest is your laugh and your sense of humor. And the "Oh, Dear God" comment. I can hear your voice in my head. Rest now, my beautiful Aunt! We shall meet again. I love you!! Joanne
