“ Scott and Brian,

I am so sorry that I was unable to attend the services for your Mom due to illness. Whenever I saw your Mom, she always made me feel very special and told me that I was smart, beautiful and charming. Being one of six siblings, I always treasured that individual attention from her!

Aunt Jeanne always told me that I was her "favorite girl", and that thrilled me! As I got older, I realized that she probably made all of her nieces feel like they were her favorite! I always adored her... I was so happy when both of you gave her the gift of daughter in laws and granddaughters (and a grandson!) I will treasure her always.....

Love,

Mary Ellen
