“ My thoughts and prayers go out to the entire family. Jeanne was a **WONDERFUL** person. When I started with Webster, I worked with her for three months until I transferred to the other Hamden branch. She then became my co-pilot when we had to go to training or meetings. I will never forget her.

“ *To the family, Jeanne was a very special person and always had a kind word so was always concerned about how you were doing and unselfishly gave of herself. She always spoke of her son. daughter-in law and grandson who she adored. She is gone from our presence but her loving kindness will never be erased from our hearts. May God bless and keep you. Our banking stories will always remain with me.*
