“Joan was such a beautiful person and It's been a pleasure to have known her. She was very close with her sister Dot. They went everywhere together and if you didn't see one or the other, I would question why. Of course one or the other would always answer. Also Joan was a very giving and compassionate woman. I'm sorry I can't mention Joan without mentioning Dot. even when Dorothy was getting sick, she was still by Joan's side. And Joan was very active in the church. She even joined the Divine Mercy Columbiettes and helped her fellow sisters before she couldn't anymore. She will be missed by those who knew her. And now Joan has gone home to be with loved ones who have gone before and especially our Lord and Savior Jesus Christ. Have a great time in heaven and looking forward to seeing you again. Love you very much! Kathi Wheatley
