“ Dad,

So many memories

Riding our bikes to Savin Rock

Climbing Savin Rock (It was big deal to a 7 year old)

Endless nights of playing catch in the back yard (sorry about the broken windows)

Being at every game, and event I was in

Movie nights at Forest Theater

Our day trips to all the local parks

Taking a drive in the VW convertible

Convincing all my friends in the car that they had to push on the dash and the seats to get the car up the hill

Being the parent willing to pick up my friends from the movies

Teaching me and the entire neighborhood how to drive stick

Playing with the grand kids

Endless games of cribbage

UCONN Basketball

Being the voice of reason when I needed it

Knowing when to let us fall so that we can learn to get up, but always being there to make sure we got up

Thanks dad for all the memories

Love you
