“*Joey was such a kind and gentle soul. His guileless innocence made an indelible impression on those whose lives he touched, and we are better for having known him. Rest in peace, sweet Joey.*

“*Joey, as we in the family called him, was a wonderful man. A devoted son and life long Yankees fan, Joey also was an animal lover. His beautiful white German Shepard, whose name escapes me at the minute, was a constant companion. When Joey moved to his own residence in West Haven, he adopted a beautiful cat named Betty.*

Although Joey had some developmental issues, he graduated high school and was gainfully employed through ACES. He lived independently (with great support from his neighbors and his first cousin Ronnie Hendrick and his caregiver Mrs. Cable) in a condo by the beach.

He will be greatly missed by all who knew him.

*His loving cousin,
Veronica*
