“ *To Tom and family. She was one of a kind and no one will ever fill her shoes. She will be so missed by all that were lucky enough to know her. I am so thankful I was able to spend time with Dick, MaryAnn, Bruce, Mary, and you and Josie those few times on a Fri night over the past 11 years. I always looked forward to seeing Josie as she would lite up the room with love, laughter, and honesty. My heart hurts for all of you.

“ To Tom Sr., Tom Jr., and to the entire Sandora family, we offer our most sincere condolences for the loss of the beloved Josie. We know you will all miss her.

Though we knew her for just too few years, Bunny and I learned to admire her for the compassionate and loving person she was. Our memories of her will make eternal for us her uplifting humor, the heartwarming smile, and her sharp wit. We will always remember the way she would retell stories of her past which left one both interested and spellbound, and we will always remember her. We will miss her too.

*With our deepest sorrow and affection,
Bunny and Italo Bentley*
