“ I was deeply saddened to hear of Joyce's passing. I was very fond of Joyce, as well as her mother and father (Bert & John). I will cherish the memories of the Federlein family forever; they were a special part of my life. "To live in hearts we leave behind is not to die." Rest in Peace, "Joy"

“ Joyce was a special person - an accomplished woman, nurse and educator (receiving a Masters from UPenn and teaching at Yale & UConn), and also a kind woman who always had a smile and word of encouragement. She was a great friend to my mother and our family. We will all miss and remember her fondly. - Jane Blansfield Finch
