“ Hello Rogers/Stirling Family,

I just wanted to let you know that this afternoon I came across a family album in an antique store here in Savannah, GA that I believe belonged to the Rogers family. It is large, brown, has a silver WWII plane on it and has several photos inside along with some letters and a newspaper.

There was a newspaper clipping of the engagement between Miss Joyce N. Rogers and Lieut. Thomas S. Stirling. I instantly felt the need to find your family and return it to you because I am a veteran myself and I know how precious family history is.

I didn't purchase the album because I wasn't sure if i'd get any leads, but now that I have, I would be more than happy to go back, get it and mail it to someone in the family.

If you have any questions, please feel free to email me at raquel.raquel87@gmail.com.

*Sincerely,
Raquel Dyson*

“ So saddened by the passing of Joy. She WAS a joy. She is now at peace with Tom and, hopefully, they will be looking down at the ocean together this summer. Tom and "Tom" had some great early times in R.I., and I know that Joy missed him terribly when he died. But she loved that beach ! Our sincere sympathy to the whole family. I'm sure she will be missed dearly.

“ So sorry to hear about your Mom. She lived a good, long life with a sense of humor and did it her way. The last few years were tough though and I guess she got tired. Sorry I can't be there with you on Saturday, but my thoughts and prayers will be with you. Love, Patty

“ We will all miss the Matriarch of the Stirling family and Breech Drive. I will always remember her for so many things....love of Topper and the beach, swans, pansies, watching her children perform (piano, singing, dancing, etc.), moaning when she ate lobster, going for rides and pointing at everything along the way, her colorful matching shoes and ear bobs, and much much more. Now you are with our Lord God and finally reunited with Sandy and ABC Tom. Peace be with you, Nana. xoxo

“ Dear Roger and Family, How sad I was to hear of your mothers passing. My deepest sympathy goes out to you and your family. I will always remember her and your Dad (in his orange lifeguard bathing suit) sitting to the left of the beach and enjoying the summer sun. Weekapaug won't be the same with her! She will continue to live on in our memories for a long time to come. With sympathy and friendship, Patty Gaudere-Carlo.

“ To the Family of Joy -- what a great lady! I worked with your Dad, Tom, in the Yale Athletics Department for many years. Joy and Tom used to call me "their sister" even though my name was spelled differently. Joy lived a good life; always sent her a "family Christmas letter"; and totally enjoyed both Tom and Joy. My thoughts and prayers are with you all.
