“ Dear Bill,

My brother Ron told me about Kim's passing. Though it has been years since I have seen Kim, just hearing this sad news brought me to tears. Your daughter left a lasting impression on me that reminded me we are all simply passing through this life; those that are special leave behind lasting memories to all, no matter how brief the time of knowing them was. That was Kim.

She was the most positive person I have ever met. Nothing seemed to get her down; her smile was contagious, and her positive attitude brought joy to all she met. I remember her sitting at my brother's kitchen table. We talked about simple things in life, how beautiful a horse was, how great it was to see the sun shining. She always made me smile and reminded me of what was important.

I know words are little comfort at this very moment, but please know Kim will always be with you. Her smile will continue, and her joy of eternal life is the focus we can all smile about. God Bless. The Lord has a brand new Angel!

*Most Sincerely,
Robin Covino*
