“ Dear Luigi, Donato, and Palma, There are so many memories from the Lauralton Hall days that will live on, making those high school years, precious and dear. Kristyn was a friend to all and would give the shirt off her back, whether you asked her or not. She seemed to have a sense about what was needed at just the right moment. We will always remember her smile, her wit and sense of humor, but most of all her beautiful heart. I will never forget what the Irish priest said at Kristyn's funeral mass. How generous she was, how she would give 2nd, 3rd, and even 4th chances to help her juvenile clients. And those kids loved and respected her for it....wanted to do good for her and by her; wanted her approval and acceptance. Little did they know, she was in their corner the whole time. Luigi, she chose you. She chose your family. She never flinched from what was before her. Luigi, you were the love of her life. We all saw that.....at your beautiful wedding, when she married you and Aniello. Donato's christening. The wonderful family celebrations for St (Padre) Pio. With Kristyn by your side, the Cappetta family was rich in love, family, and culture that people can only dream about. Yet, she is not gone. She is wherever you are. Love to all, Maggie (Nagle) Brady and Ms Nancy.

“ *Luigi and family,
We were very sorry to hear of the passing of your wife, Although we didn't know her, her picture seemed to portray her as a beautiful, loving, kind and compassionate person. May she rest in peace and may she always watch over and protect you and your family.
With deepest sympathy,
