“ Len was an incredible Father, husband, Brother, Grandpa, Uncle and friend as well as a brilliant CPA, Agent and Veteran. He was a very kind and generous person; As all of us who worked with him knows, he treated you with compassion and respect and part of his family. We all learned so much from him as he was empathetic and had a knack of relating to you. He was a great mentor, who along with Ruth motivated and inspired everyone including his incredibly successful children and nephews/nieces who have become part of my family, cousins and best friends and also all who worked with him starting with Amy and Kelly among others inspiring us to become CPAs and great accountants. He was always available to spare a few moments of his precious time to take a call and answer a Tax or other question.
Len, Every time we review our taxes or walk into Costco we will be thinking of you.
On this Thanksgiving Day I want to say a big thank you for forever being an incredible part of our lives.
We all love you and will miss you, Rest In Peace and God Bless you forever...:-)

“ My thoughts and prayers to all Uncle Len’s family and friends. I’m sorry I was unable to make it to the funeral. I will never forget the first time Jono took us to meet Uncle Len & Aunt Ruth, it was a Christmas get together. Coming from a small fairly quiet family the large gathering was magical and I remember Uncle Len being the strong loving center of it. He’s a man you could never forget. He will be missed by many.

“*Dear Lye Family, I am so heartbroken over this very sad news as I know you all are. I loved Lenny-he was such a rock in my life. For years I would show up a day or two before tax time, only to be helped with his expert knowledge and abilities. especially with some very complicated tax issues. He was always so laid back and funny. Just knowing he was there for me all these years was so comforting. I know how much he loved his family and grandkids, you brought him so much happiness. I am so sorry I was not there to pay my respects and support you all but know I am praying for you all now. With much love, Soozie Flannigan*
