Lillian (Juliano) Dube, 90, of Cheshire passed away at Midstate Medical Center with family at her side on November 14, 2023. She was born in Hamden on January 27, 1933, and raised on a farm, the daughter of the late Mary (D'Adio) and James Juliano. She is survived by her sisters Susan Smith and Marguerite Flynn, and a sister -in-law Ellen Juliano, all of Hamden. She is also survived by her son Henry G. Dube , daughter Pamela Dube and beloved son-in-law Seth Skydel, all of Cheshire; her grandchildren Andrea Markavich , Brian Dube (Elizabeth), Christopher Dube, Joshua Skydel and Matthew Skydel; her great granddaughter Lily Markavich, and many nieces and nephews. She is predeceased by Henry J. Dube, her loving husband of 37 years prior to his death in 1990, her brothers Tony, Joe, Johnny and George and sisters Anna, Rose, Lena and Pat. Lillian graduated from Hillhouse High School in New Haven. She cultivated her green thumb by learning about plants and growing vegetable and fruit trees. She continued to hone her gardening skill and later in life worked at Cheshire Nursery. She was a tremendous caregiver, taking care of her husband and mother in their time of illness and caring for all of her grandchildren. By far, her cooking skills were far superior to anyone else's in her extensive family, and she was a true soprano with her singing voice often being heard throughout the house. Beyond this, she instilled the importance of education in her children and ensured that they had the opportunities that she was not given. She exemplified resilience living with chronic illness and in the face of surgery and

chemo following a breast Cancer diagnosis over 40 years ago. She was a survivor and fighter, her strength clearly present throughout her entire life. Private services were held at Sisk Brothers Funeral Home 3105 Whitney Ave. Hamden. Burial was held at Beaverdale Memorial Park in Hamden. Donations in Lillian's memory can be made to the American Cancer Society. To leave an online condolence please visit www.siskbrothers.com
