“ *Lorraine was not only my sister in law but a sister to me and a good friend. I will miss our talks, playing cards, Foxwood and her sense of humor. I pray that the Lord will give her children comfort. She is with Lou and her first family. I'll miss you Lum..*

“ Today I ordered flowers from our family for "Our Sweet Cousin Lorraine" But for me it is like I ordered flowers for my older sister Lorraine. Lou and Lorraine, were the best of the best!! My love for both of them was something that started when I was very young and I will love and miss them until we are together again. They filled my early years with joy, just plain fun and a lot of love. When we moved to Florida I cried every day and night because I missed them so much. They were such a big part of my younger life. Then as an adult they became my friends too...and I wanted all you kids, Jimmy, Lori and Donna to know how much we loved them and all of you! You all mean so much to us, We love you all!! God Bless you and keep his watch over you! Know that we love you... Today, Tomorrow Forever...Teresa & Frank

“ *I will miss my visits, discussions about family and our trips to Foxwood. I am relieved that Aunt Lorraine is in peace. My heart goes out to all of you. I know how hard this has been.*

“ *I would like to extend my deep condolences to the family of Lorraine. I only knew her briefly from her visits to Assoc. Podiatry office & occasional lunches we shared. I found her to be such a warm and easy person to talk to and I know she will be missed by many. ~Joyce*
