“ Nanny, I miss you so much but I know you're in a better place especially since I know in my heart you are with your parents. We've had ups and downs, but please know I've always loved you. Your outspoken, yet hysterical personality lives within me. You and I are so much alike. As kids, you were by far the coolest gma! I remember you laughing with you as Brian & I made prank phone calls on speaker phone, camping, my dance recitals, pizza from Gus, visiting the dog pound to see all the puppies. You truly loved your animals! All of my memories with you are happy and funny ones. I am truly blessed I've had you in my life for 28 years. I will look after poppy for you. I love you so very much nana, rest peacefully.
