

## Luke N. Evans

April 6, 1983 - June 18, 2014

Taken from us suddenly on June 18, 2014. Luke was born on April 6th, 1983 in New Haven, CT. From the very beginning Luke had a special gentleness and peace about him. At an early age Luke's mechanical and innovational skills were apparent. Our beloved Luke had such a very loving and generous heart whom many went to for encouragement, help and advice. Seldom could you find a more wonderful person, dedicated husband, father, son, brother, uncle or friend. His loving memory will never fade. As we press on in this life we shall be very fortunate indeed if we have others like him in our lives.

Luke was employed at the United Illuminating Company, rising to become a First Class Lineman. He was a valuable part of the UI team and always gave his best to every call for help, traveling to other states for days and weeks as needed.

Luke was the proud and loving father of his beautiful one year old son, Lucian and so he leaves a part of himself with us all and with his devoted and loving wife and Lucian's mom, Melissa.

Luke leaves behind his loving parents Lucy Evans and Tim Evans, brothers Josiah Evans, Paul and Leah T. Evans and Matthew and Shila B. Evans, Grandfather Clinton Evans, Nephews Ethan and Bryson Evans, parents-in-law Bub and Lynn Clark, aunts and uncles, many, many friends and admirers.

“ We were deeply saddened and shocked when we only recently learned of Luke's passing. Although we only knew him, (and all the Evans boys) as young children (our neighbors), Luke was truly a precious child, and he and Ted had a special friendship. The entire Evans family has our deepest, heartfelt sympathy and is in our thoughts and prayers. Ted & Evie Pomichter

“ Luke, I miss you so much. You were such an amazing human being! I will always cherish the memories we shared and your deep devotion to the family. I know your spirit is with us and that will be my strength to live the fullest life possible as I know that is what you would want.

The last time we saw each other, you were about to leave and you said "wait. I have to give Leah a hug goodbye!" You came to me I can still see your big smile and you hugged me. I will replay that moment for the rest of my life

I love you

Your sister ,Leah

“ *Tribute to Uncle Luke,*

*I will always miss you no matter what. You were my hero and I will always remember you by the way that you brought me into your house, room, and were so inviting. You used to give me the best presents like the Quad on my third birthday. You were always very polite with me. Every time I walked into your house you would always hug me. You came to all my birthdays and you tried to spend time with me even though you had to work. When you did spend time with me you made the best of it. (and always went overboard). I always looked up to you, uncle Luke. Remember when I used to call you uncle Guke?*

*You were so brave no matter what it was. I love you so, so much!!!!!!!!!!!! and I say it again, so so much!*

*Thanks and love,*

*Your devoted nephew*

“ *Dear Friends and Family of Luke Evans,*

*How can we express how we feel today? We are filled with sorrow in both seeing our beloved Luke and saying a temporary goodbye to him last night.*

*The way everyone has shown their love for and devotion to Luke was outstanding and so very beautiful to us. Truly our wonderful Luke has been a loving and enriching instrument for peace and comfort in the lives of so, so many people. A piece of our hearts have gone with him. We will never be the same.*

*The out pouring of human love and affection has been incredible and so very helpful. Such love has to represent the divine love of God.*

*How can we express the way we feel about each one who has extended to us their hands and hearts, and their love and support. Every embrace, every "God bless you", every loving word or picture on Face Book and in every card and message. For every tear and for the many, many who came last night and for those who wanted to be there but were unable. For the multitude of prayers; we love you and we will always remember you.*

*Thank you. We thank God for you,  
With love and appreciation,  
Luke's Family*

“ Thinking of the whole Evans family at this very, very sad time. I will always remember what a sweetheart Luke was as a boy and I really loved my time with my friend Matthew and his brothers when we were kids, not to mention later years at school too. I will keep you all in my prayers as this is such a difficult loss.

“ My dearest and precious son, from the moment you were born until now and for all eternity, I love you with all my heart. I can not describe how wonderful being your father and friend has been. You enriched my life and the lives of your dear family beyond our ability to express. We were best friends and my heart is overwhelmed with pain and broken. You were an incredible human being. God placed his heart in you. In tears now I am so thankful for you and your love and for the truth that we will be reunited one day. I thank you and I thank God for the privilege of knowing and loving you for thirty one years. With unspeakable sorrow and great love, your Dad
