“ *To my mom the most beautiful woman I know. You always took such pride in how you dressed. You never needed makeup you only wore lipstick and a little rouge. You were daddy's princess he loved you so much. You were a good mother to all of us and many others that you took under your wings. May you Rest In Peace and I will see you when my time comes to an end💔*

“ *I will always remember the Sunday dinners in New Haven... The meal seemed to last all afternoon. It was an honor to be a part of these dinners and to be welcomed into the family as a friend of Sal and a partner to Dolores and her kids, Andrea and Kimberly during that time.*

*Mae, you have now joined your husband in heaven, and your family will miss you dearly, but they can take comfort in knowing you are no longer suffering and have reunited with Anthony. My heart and prayers go out to you, and your beautiful family. God be with you.*
