“ Carlo and Family,
My deepest condolences to you all on Marcia's passing. We, who knew her, worked with her, laughed and spent time in her company are feeling the tremendous loss of a wonderful woman.

I had the pleasure of working with Marcia at Shepherd Glen where her expertise, her passion and her compassion were well known. We worked many years together collaborating for children in school and many days together laughing, lunching and enjoying time outside of school. Marcia was kind, she was smart and she was funny. I will always cherish our friendship and good times. And I will forever be appreciative of how lucky I was to call her my friend. I pray that your wonderful memories give you strength in this difficult time.

“ Dear Carlo and family: my deepest and sincerest sympathy to you and your lovely family. My forever friend is gone now, but the memory of the wonderful; special lady she was will remain with us always. Marcia fought so bravely for so long with such dignity and my hope for all of you is that you can find some comfort knowing she is "safely home" now in our loving Savior's arms.
