“ Our family is deeply sorry for you and your family's loss. We were neighbors in West Hartford many years ago and remember so many great times playing in your parent's yard, sitting in the coolest car in the neighborhood (GTO), and having wonderful conversations with your mom and dad who treated all of us as part of your family.

“ It is with great sadness of hearing of Margy's untimely passing. I knew Margy since junior high school and we shared many teenage years of fun, laughter and plain silliness. Her eyes always had a special sparkle that drew you closer and then one would be greeted by her beautiful smile. Margy will always be in my prayers. I know she will light up heaven. Fondly, Joanne Burke

“ *Bernie and girls: We are very saddened to hear the news about Margaret. This is truly the hardest times in life. Be comforted by your memories and know that she will be missed by many people. We remember the party in Fairfield where we had such a good time with you & Margaret. She was a fun person and the picture that you have chosen of her shows that very nicely. Be kind to yourselves. You are in our thoughts. with deepest sympathy, Tom & Debbie Methot*

“ *Bernie:*
I was so shocked to learn of Marge's passing. Words really are not enough to convey one's feelings at times like these, but I am so sorry for your loss. Try to find comfort in knowing that others care. Sheila
