“ My dear childhood friend, Peggy, how I will miss your smile and laugh. I have such fond memories of our childhood at Woodward School, St. Vincent's and St. Mary's. Sledding on Beacon Avenue hill across from your house, you always having Sunbeam bread and me Wonder and both of us wanting to switch. The smell of oatmeal on your mom's stove & you eating macaroni and my house loving my mother's homemade sauce. We had a great childhood. You have three beautiful and wonderful children who will keep your memory alive eternally. Your hardworking work ethic has been instilled in them. Your heart and smile will live in my heart until we meet again.

“ Peggy , our Irish lass,
Where do I begin in telling you how much you
will be missed . I hope as you look down you
know how many lives you touched while here
on earth. Always on the go , not letting the
grass grow green under your feet . You were a wonderful mother to
Sean, Patrick and Kathleen , a proud grandmother to your beautiful
granddaughters Quinn, Reese and Frances. As a coworker you
went above and beyond , giving 110% . And as a friend I'll
remember the trips to the wineries, sitting around the fire pit talking ,
the Christmas and pool gatherings with our homemade crafts or our
made up cocktails . Oh the laughters we had with you .
I'm so happy you went to Ireland with Sean, Jill and the girls during
the summer . You can see in the pictures the happiness on your
face that you boarded that plane and made memories with them .
Peggy, you will be missed more than words can say . It's not
goodbye but it's " we'll see you again " and we will pick up where
we left off before you left us . Love you my friend .

“ *The evening staff was always happy to see Peggy and so grateful for all she did for us. So many evenings she stayed late to cover the OR. She made sure the late cases ran smoothly always thinking of the patients and Doctors. There were so many evenings she left with a smile and a laugh. I always knew she was going above and beyond her shift requirements and we will be forever grateful. I will remember her smiling a laugh and a wave as she finally left to go home to her family. Thank You Sean, Kathleen and Patrick for sharing your Mom with us. She is forever an Angel 🙏*

“ Dear Kathleen, Sean, and Patrick,

Please accept my sincere condolences on the loss of your wonderful mother. I could fill a book with all of the comical antics of our childhood days, whether it be at Irish dancing lessons, or car rides home from a feis, or watching Peggy and my dear brother Jimmy going to highschool dances at Saint Mary's and Notre Dame. Peggy could light up the room. And she remained that way always. It didn't matter how much time had passed between our conversations; it was as if we never left off. My cherished memories of your mom and your grandparents will remain close to my heart. You are all in my thoughts and prayers during this very sad time.

Sincerely,

Margaret O'Hagan-Lynch
