“ Dear Elisa and Dennis and family, we were so truly sorry to hear of your loss of your mom, Dennis. Such a lovely lady! We have so many nice memories of times we spent with her at Fourth of July celebrations, etc.

Having lost both of our parents and all of our grandparents of course, we have some idea what you and your family are going through right now, and our hearts go out to all of you. Please know that you are in our thoughts and you have our prayers that God will help you all through this difficult time. My mother always said that God never gives us more than we can bear, although He may really test our mettle sometimes, as He is surely testing yours and your family's now.

I know you have so many happy memories of all of your years with your mom/grandmother, that will help to sustain you now. Continue to talk about her-tell the stories, laugh, cry-and above all, keep her alive in your hearts always. With our deepest sympathy and love,  
Betsy and Phillip.

“ Marie was an amazing woman and mother. I am so grateful for having been made to feel like a member of the family having spent numerous camping trips to Rocky Neck state park with them and calling her home my second home. I still am not sure how she managed those outings- four children plus one. Her baking skills were legendary. Her Carmelita cookies were the best. We are all lucky to have known such a wonderful woman who touched so many lives in positive ways. She will be missed.

Love,  
John and Pam

“ Dear Cheryl and the entire Pannone family, I am so sorry for the loss of your mom. I have such wonderful memories from my childhood of both your parents and home. From all of the Girl Scout meetings and the wonderful camping trips her and your dad so graciously took me along on for so many years! So much fun! I had the pleasure of seeing Mrs. Pannone (I could never call her Marie!) a few years ago. I happened to see a sign for a tag sale at 35 Parkview Rd and knew I had to go. Gary and Ken were kind enough to take me inside to see your mom. Once I explained who I was, she was so gracious and yes, there was a "batch" of cookies cooling in the kitchen! Sending you all much love. How blessed you were to have her as a part of your lives for so long.
