“ My condolences to everyone for the loss of a wonderful lady. I only knew her a short while but she was always very thoughtful and went along with all of Michele's grand plans. I know that both Michele and especially Noreen have lost a true friend. Those types of friends come around rarely and should be treasured. You were both lucky to know her and can now share the wonderful memories you have of your times together. Take peace in knowing that she is in a better place and that she does not have to suffer.
