“ Mom, You taught me everything important; how to laugh, how to behave, how to love, how to follow important rules, and how to break the rules that should not be. With your loyalty, self sacrifice, industry, and charity for the less fortunate, you set the bar high and demonstrated how to exceed it. Also, you showed me how to embrace quiet moments and peaceful prayer. As a Mom now, I treasure these lessons. Mostly, I treasure you; my Mom, my best friend. Thank you, Lauren
